Underlined moves do not succeed. The Austrian Army Serbia and the French Army Portugal are both annihilated for lack of open retreats (the Austrian Army Serbia cannot retreat to Albania since that province is left open due to a standoff). The English Fleet Sweden may retreat to Finland, the Gulf of Bothnia, the Baltic, or off the board. The German Fleet North Sea may retreat to either the Norwegian Sea, the Skaggerak, Denmark, the Helgoland Bight, Belgium, the English Channel, Yorkshire, or off the board. These retreats should be submitted along with the "Fall 1903" orders, which may be made conditional upon them. Should any player object to the request for conditional moves (because of the large number of retreats open to the German Fleet) the "Fall 1903" moves will be delayed two weeks, and only the retreats will be published next time.

The English removals were a problem for the GM, since all four of the English pieces were equidistant from England and from English supply centers, and all four were fleets. I eventually selected the two fleets to be removed by tosses of the coin. Larry St. Cyr, whose replacement orders were not really required last time in game "D", is asked to send in "Spring 1904" orders for England, to be used in the event that Summer does not submit such orders. Larry's address is 30 Frederick St., No. Adams, Mass. 01247, not Quaker - town, Pennsylvania, as reported in Ragnarok #4.

DEADLINE FOR "FALL 1902". ORDERS IS FRIDAY, 25 APRIL 1969

- -

NOTE: James Boskey, the player for Russia, will be in Europe from 24 June to 30 August, & wishes someone to take over play of Russia for him starting on his departure date. I am unsure whether he desires a temporary or a permanent replacement, but he will turn over all correspondence on the game to whomever takes up his banner. Players from the replacement list who have not already taken over a country as a replacement will be given preference, unless Boskey names his own replacement.

WARSAW Count Euryname has deigned to visit Silesia in an effort to get support in his endeavors against Austria.

ST. PETERSBURG The new "ALL WHITE" Russians declare War on the Hapsburg monarchy. Andras the grand Marquis of hell has been sent to the front. He will appear with the body of an angel, head of an owl, and will be riding a black wolf carrying a pointed saber.

BUDAPEST (DWE) A wolf carrying a pointed saber today made an unsuccessful sortie into Budapest. On his back the wolf bore a strangely garbed man who carried a large sign proclaiming that he was the "Grand Marquis of Hell." The Chamber of Commerce of Hell is investigating this case, and may soon bring suit for misrepresentation and fraud against the man, the wolf, or both.

HELLHOLE, somewhere on orange-bearing lands: "Lawyers here, retained by Scratch to press a civil suit concerning misrepresentation of product and product and usurpation of copyright, have named as defendant in the 'Buda pest case' a Cossack sabre."

ST. PETERSBURG Since Marquis Andras has failed Count Eurynome, he has been sent to the front. The Count will be recognized by his enormous front teeth, hideous body covered with sores, and his fox skin clothing. He feeds on the corpses of the dead. May he feast heartily!
